

FMST 1181-10 INTRODUCTION TO FILMMAKING

Mon, Tue, Wed, Thurs 1:10-3:15PM

Professor: Melissa Bruno / mb1660@georgetown.edu

Office Hours: By appointment

COURSE DESCRIPTION:

This course explores introductory film production techniques and strategies. Students will practice video and audio recording techniques, scriptwriting and using non-linear editing software. Visual storytelling concepts and creative post-production editing will be emphasized. Additionally, critiques and screenings of student and professional film work will provide students with an understanding of film genres.

Taking a production course is a time-intensive commitment. You will be required to spend many hours outside of class time reading, reviewing materials and working on projects. Please make note of other academic and personal obligations and plan accordingly. Late work will greatly affect your grade.

ATTENDANCE:

More than one (1) unexcused absence will result in a lower grade. If you miss three (3) or more classes, you will fail the class. If a serious medical or personal situation occurs affecting attendance, please discuss it with me.

SEXUAL MISCONDUCT:

Georgetown University and its faculty and staff are committed to supporting survivors and those impacted by sexual misconduct, which includes sexual assault, sexual harassment, relationship violence, and stalking. Georgetown requires faculty members, unless otherwise designated as confidential, to report all disclosures of sexual misconduct to the University Title IX Coordinator or a Deputy Title IX Coordinator. If you disclose an incident of sexual misconduct to a professor or staff member in or outside of the classroom (with the exception of disclosures in papers), that faculty or staff member must report the incident to the Title IX Coordinator, or Deputy Title IX Coordinator. The coordinator will, in turn, reach out to the student to provide support, resources, and the option to meet. Please note that the student is not required to meet with the Title IX coordinator and no action will be taken without the student's awareness. More information about reporting options and resources can be found on the Sexual Misconduct Website: <https://sexualassault.georgetown.edu/resourcecenter>.

If you would prefer to speak to someone confidentially, Georgetown has a number of fully confidential professional resources that can provide support and assistance. These resources include:
